Gala awards dinner proudly sponsored by Premise

Twenty-one Queensland councils were awarded for excellence at this year’s IPWEAQ Excellence Awards.

The awards recognise councils and individuals who have demonstrated best practice and innovation in public works projects across Queensland.

Twenty awards were presented in front of 350 guests at the gala dinner and awards ceremony held at the Ville Resort, Townsville on 25 October 2017.

IPWEAQ congratulates all winners and thanks nominees, judges and our sponsors.

The 2017 awards commemorative e-book celebrating winners and nominees will be released early in 2018 along with details for the 2018 awards: www.ipweaq.com/awards.

Photos of the gala awards dinner including photo booth images are available to view and download at http://www.ipweaq.com/2017-state-conference-photos.
