HOW UNIQUE IS YOUR COUNCIL?

Presented by Sean Rice
WE ARE UNIQUE
Why does everything have to be different?
A few examples

- RFQ documents
- Specifications
- Inspection processes
- Contracts
- Procurement processes
- Purchasing Policies
- Safety requirements
- Maintenance Practices
- Data collection processes
- Use of LocalBuy or prequalification systems
- Evaluation Tools
THEORETICAL PROJECT – Let’s build a new Bridge

I’m going to simplify this but here are some steps we all need to go through.

• Preliminary Investigation
• Concept Designs
• Detailed Design
• Construction
Contract Documents
Some attempts to address this?

- Ask Your Mates
- IPWEA Practice Notes, Manuals and Standard Drawings
- Nat-Spec
- ADAC
- AssetEdge Products
- LocalBuy
