Conference Details

**Dates**
Wednesday 22 May – Friday 24 May

**Venue**
Rockhampton Heritage Village, Boundary Road, Parkhurst

**About Rockhampton**
Rockhampton’s charming historical architecture has captured the hearts of visitors for many decades. You’re guaranteed to get a great steak in Rockhampton because it happens to be the Beef Capital of Australia. You’ll find six bull statues dotted around town representing the main breeds of the area - as well as the biggest stud-selling venue in the Southern Hemisphere - Gracemere Saleyards, which boasts the largest throughput of export beef cattle in Queensland.

Nature lovers will enjoy exploring Mount Archer National Park with its spectacular range of native plants and wildflowers. The mountain itself is 604 metres above sea level and offers glorious views of Rockhampton and the coast. The Capricorn Caves, located 23 kilometres north of the city, are a series of magnificent limestone caves that are definitely worth a visit. For aboriginal history, head to the Dreamtime Cultural Centre, set in some 30 acres of natural bushland on Ancient Tribal Sites.

**Parking**
The car park is number 43 and the conference is being held in the Shearing Shed which is number 3 on the map.

President’s Charity – MS Queensland

IPWEA.Q Presidents nominate a charity for members to support during their term. Our President, Seren McKenzie, has chosen Multiple Sclerosis Queensland. Multiple sclerosis (MS) is one of the most common diseases of the central nervous system. It affects the brain, spinal cord and optic nerve and impacts more young people in Australia than any other chronic progressive neurological disease.

The term multiple sclerosis means ‘many scars’ and refers to the damage caused in the central nervous system. Over 25,600 people in Australia have MS, including 3,700 Queenslanders, and it affects each person differently. On average more than 10 Australians are diagnosed with MS every week.

For the past 60 years, MS Queensland has provided care and support to Queenslanders living with MS, and more recently, other chronic, progressive neurological diseases. As the only Queensland provider with specialised services dedicated to supporting people living with MS, your wellbeing is at the heart of everything we do.

During the CQ Branch Conference, we will be selling raffle tickets to raise money for MSQ. Tickets will be sold throughout the conference at 5 for $20 or $5 per ticket. Drawing of the raffle will be on Friday 24 May.

We will also be hosting a barefoot bowls competition at the welcome function. A donation of $10 (minimum) is required to participate.

Please remember to purchase your MSQ pin when you register for $5.
